# History

- The written recorded history of the land presently constituting Afghanistan can be traced back to around 500 BCE when the area was under the Achaemenid Empire.[1]
- Although evidence indicates that an advanced degree of urbanized culture has existed in the land since between 3000 and 2000 BCE.[2]
- From the first through the fifth centuries, the early Afghan region was called Aryana.
- Later became Khurasan, and then finally the name changed to Afghanistan.
- Afghanistan's capital was Kandahar, then the capital of Afghanistan changed to Kabul in 1776. [3]
- Buddhism was one of the major religions in Afghanistan during pre-Islamic era.
- The modern state of Afghanistan began with the Durrani dynasty in the 18th century, with the Durrani Afghan Empire being formed by Ahmad Shah Durrani.
- Afghanistan got its independence from British Angolan on 19/August/1919 and emerged as the independent Kingdom of Afghanistan under Amanullah Khan.

# Geography

- Afghanistan is a landlocked mountainous country located at the crossroads of Central Asia and South Asia, Referred to as the Heart of Asia. [4][5]
- Afghanistan has 7 Neighboring Countries (India, China, Pakistan, Iran, Tajikistan, Uzbekistan & Turkmenistan).
- Occupying 652,864 square kilometers of land.
- The country has 34 provinces.
- As of 2021, its population is 40.2 million, composed mostly of ethnic Pashtuns, Tajiks, Hazaras, and Uzbeks. [6]
- Cold winters (low as  $-25^{\circ}\text{C}$ ) and hot summers (maximum of  $45-50^{\circ}\text{C}$ ).
- There are four major rivers in the country (the Amu Darya, the Hari River, the Kabul River and the Helmand River).
- The most important mountain range in the country is the Hindu Kush, which is considered a logical extension of the Himalayan Mountains.

# Politics

- From 2001 to 2021 the politics of Afghanistan have been influenced by NATO countries, particularly by the United States, in an effort to stabilize and democratize the country.
- In the above period politics of Afghanistan was consisting of the council of ministers, provincial governors and the national assembly, with a president serving as the head of state and commander-in-chief of the Afghan Armed Forces.
- The National Assembly was Afghanistan's national legislature. composed of the House of the People and the House of Elders.
- In August 2021, the Taliban regained control of Afghanistan and changed the name of the country to the Islamic Emirates of Afghanistan.
- Hibatullah Akhundzada is the supreme leader of Afghanistan, having authority on all political, military, religious decisions, and government appointments.
- As supreme leader, much of his work is done alongside the Rahbari Shura (Leadership Council) which oversees the Cabinet and Prime Minister of Afghanistan.

# Economy

- The economy of Afghanistan is listed as 103rd in the world in terms of gross domestic product (GDP).
- It currently imports around \$5 billion worth of goods but exports little over \$1 billion worth of legal products, mainly fruits and nuts.[7]
- Despite holding over one trillion dollars in proven untapped mineral deposits, Afghanistan remains one of the least developed countries in the world.
- Its unemployment rate is over 23% and about half of its population lives below the poverty line. [8]
- Agriculture remains Afghanistan's most important source of employment: 60-80 percent of Afghanistan's population works in this sector.
- Afghanistan currently generates over 600 megawatts (MW) of electricity from its several hydroelectric plants as well as using fossil fuel and solar panels.
- Over 670 MW more is imported from neighboring Iran, Uzbekistan, Tajikistan and Turkmenistan.
- Da Afghanistan Bank serves as the central bank of the nation. The "Afghani" (AFN) is the national currency, which has an exchange rate of nearly 89 Afghanis to 1 US dollar.

# Education

- Afghanistan it has, according publishes UNESCO, an adult literacy rate of 43.02%. While the male literacy rate is 55.48%, for females is 29.81%.
- For schooling Afghanistan has a 6-3-3 formal education structure under the Ministry of Education.
- Primary school has an official entry age of seven and a duration of six grades. Secondary school is divided into two cycles: lower secondary consists of grades 7 - 9, and upper secondary consists of grades 10 - 12.
- Higher education in Afghanistan falls under the Ministry of Higher Education which establishes government policies to reform higher education at Afghan universities.
- The country had separate classes for boys and girls in schools and there was co-education in government and private universities.
- After the Taliban returned to power in August 2021, they shut down schools for girls over 6<sup>th</sup> grade to 12<sup>th</sup> grade.
- The Taliban first formally announced a ban on coeducation in Afghanistan, resulting in the partitioning university classrooms, and then fully banned females from higher education.

# Education
