#### Around the World in Eighty Days

This is an adventure story about an Englishman called Phileas Fogg. Fogg takes on a challenge to travel around the world in eighty days. To make such a journey in 1872 was thought of as a crazy idea. There were no planes, and trains were a new invention. No one believed anyone could circle the world in eighty days. In the story however, Fogg plans his journey and studies the schedules for the trains and boats that leave the cities he is to pass through.

He starts his journey on Wednesday, 2<sup>nd</sup> October at 8:45 p.m. he sails from London to Suez with no problems. Then he goes through the four continents where he meets many new people. In India, China and America he has many adventures and faces lots of difficulties.

Fogg reaches London thinking that he has taken eighty – one days to finish the journey. However, he finds out that traveling from East to West has saved him twenty four hours. Phileas Fogg has done what other people thought impossible.

# Reading

#### A. – Why is it important to know about greeting customs?

#### - How are International Schools different from local schools?

At Oxford International School, I learned that greeting customs differ from one country to another. Normally, students greet each other saying hi, hello, or good morning. However, on special occasions, each practices his traditional way of greeting.

My Japanese friends occasionally like to use their famous "Ojigi" to greet each other. They bow to say good morning, hello or good bye. Dilip and Raj use the Indian Namaste to greet each other. They press the palms of their hands together and lift them up to their chins. Then they say "Namaste". Filipino students shake hands, but close friends pat each other on the back and say "Kamusta". John, Jack and Patrick from Britain greet each other with a hug. If they meet someone for the first time, they shake hands. Our friends, from the Emirates Saleh and Ahmad, shake hands with all of us every morning.

Going to an International School helped me learn about different greeting customs.

Lesson 2

B. Fill in a country for each greetings custom. Check if the greeting is formal or informal. If you can not tell, write "I don't know".

|         | bow to each other.            |        |          |

|         | a pat on the back.            |        |          |
|         | a hug.                        |        |          |
|         | Press palms and lift to chin. |        |          |

- C. Do you know of any other greeting customs? Tell your friends about them.

They have dinner around the pool and listen to the music. They also enjoy visiting traditional market places, especially Chicken Street (Kocha Morgha). I often help them shoping around because they don't speak Dari or Pashto.

My work keeps me away from home for long hours. I usually return home at 7:30 p.m. Sometimes, I stay away for days when I take tourists to Bamyan, but I enjoy it. My wife and kids don't like my job. I seldom go out with them on holidays because I am busy showing other people around.

## Reading

- A. In which subjects do you use maps?
  - What do you use maps for? Why?

#### **Map Reading**

What are maps? Let us draw a very simple map to find out what it is. Take a piece of plain paper. Put your hand on it. Then with a pencil draw around your fingers and thumb. Make sure that you outlined each one carefully. Remove your hand from the paper. Mark your finger nails and knuckles. Now you have a "map" of your hand.

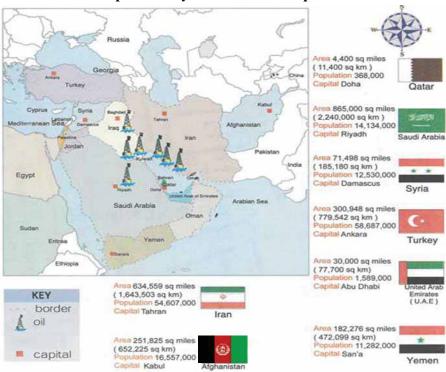

There are different kinds of maps: like the world map, city map, road map, street and house maps. We use directions on a map to show us places. The main directions are east, west, north and south. A compass is used to see the directions.

Maps also show size, climate and physical features such as rivers, mountains and deserts of a country. Signs or symbols are used to show things on a map. Symbols replace words by pictures to make the map easier to understand. These symbols are shown in a small box called the "key" or "legend" given on the side of a map.

Now, let's look at the map of our Country Afghanistan. What does it tell us? It shows that it is located at the heart of Asia. It has lots of mountains and two famous rivers "Amu and Helmand". The region is important because it has large reserves of mines, oil and natural gas.

## Lesson 2

B. First read the map carefully. Then read the questions and answer.

- 1. What does the map "key" tell us?
  - a. The names of countries.
  - b. The meanings of the symbols on the map.
  - c. The color of flags.
- 2. What does the "compass rose" in the upper right corner tell you?
  - a. Time.
  - b. Distance.
  - c. Direction.
- 3. Can you name three countries that have oil?
- 4. Which countries are in north of Afghanistan?
- 5. What is the capital of Uzbekistan?
- 6. Which country covers a large area, Afghanistan or Tajikistan?

Lesson 3

|---|--------|---|----------|---|---|---|
|   | circle |   | triangle |   |   | _ |
|   | square |   | lozenge  |   |   | _ |

## Conversation

## A. Read and practice.

## Practice the following conversation with your partner

Instructor: Khalid, is this the first time you are

taking driving lessons?

Khalid: Yes, I'm very excited about it.

Instructor: Good. Buckle up! Remember to look at

the road signs carefully. You must

keep them in mind while driving.

Khalid: Sure I will.

Instructor: Look! There is a road sign. It's a white

circle with a black arrow pointing to

the left. What does it mean?

Khalid: It shows you can turn left.

Instructor: What about that triangle at the end of

the road?

Khalid: Oh, that's a danger sign.

## B. Do you follow rules while driving? Why is it important to follow rules?

# A memorable day

One of my happiest memories is of my secondary school day in UK. I was fourteen years old when my family moved to UK. I liked life in the United Kingdom and got used to it easily. However, I was always proud of living in my own country. One day, the school took us on a field trip to the museum. The museum was full of interesting things to see. I listened carefully to what the teacher had to say about the museum. Our teacher told us that the flag of every county in the world hangs in this hall. Hurriedly my eyes searched for the Afghan flag. I felt proud of my national flag. My teacher and classmates were touched by my patriotism. I wanted to get home and tell my family about the museum. We spent the rest of the day telling everyone how wonderful it was to visit the museum and interesting places. How nice is for a child to love his country and be proud of it. It was a memorable day indeed.

#### Test - Taking tips

Do you get a little scared when your teacher says you have a test? Tests do scare many people but there are ways to <u>prepare</u> for the tests so that you can be more relaxed.

#### **Reviewing for a test:**

- You should sit in a quiet place to study.
- You should have everything that you need with you.
- You must also know exactly what lessons will be on the test so you can study what you need to know.
- As you study, make up questions you think might be on the test.
- Practice saying the answers to yourself. If you can not say them, it is likely you don't know them.

#### Taking the test:

Now that you know how to prepare, here are some tips for actually taking the test:

- Read over the test quickly first. This will help you <u>calm down.</u>
- You must find out how much time you have. This will help you know how much time to spend on each question.
- Read directions carefully to avoid careless mistakes.
- Answer the easy questions first then do the hard ones.
- Remember that you have to read the test over before turning it in. This is time to find any mistakes

These steps may help you overcome your fears and pass the test easily.

#### No more Housework!

It was 4:30 p.m. in the evening when Rena Taher came home from work. She walked into the living room and looked at her three children. The children are 14, 12 and 9 years old. They were watching TV.

The living room was a mess. There were empty glasses and dirty socks on the floor. There were cookies on the sofa. Games and toys were everywhere. Rena was angry.

"This place is a mess!" she told her children. "I can't work all day and then do housework all evening! I'm not going to do housework! "And so, Rena didn't do housework. She didn't clean. She didn't wash dishes. She didn't wash clothes. Every evening she sat on the sofa and watched TV. After two weeks, every plate, fork, and glass in the house was dirty. All the children's clothes were dirty, too. Every garbage can was full. The house was a mess.

Then, one day Rena came home from work and got a big surprise. The kitchen was clean. The children had cleaned the kitchen! The next day, the living room was cleaned, and the children were washing their clothes.

Rena told her children. "Ok, I'll do housework again. But you have to help me." Now Rena and her three children do the housework together. Then they all sit on the sofa and watch TV.
