Motivational And Inspirational Stories by Leo "Zakary

Prologue :

In the name of almighty God, In the name of the most merciful and most gracious . Hi my friends!
I am here to talk to you about very important way to win and anything you want to do it will make it happened.
Because, you are responsible for your life for your family, for your relationships and anything you are handling with,
So, If you can change your mind set then your mind set change your character and finally you will done everything differently and in your own way in your own attitude and everything, In short when
you have the power to control
your mind by coming any unimportant things in. Then you have the greatest tool to achieve success. Mindset means
is everything that we have whatever it's Power, feelings, sadness, hopes, future, past, work and even everything.
As you got known about this , so , You are 100% responsible to become the person who you want. For example,
if you don't have even one part of success tools then you don't succeed, you just got free from real world and real delectation, you
may ask how ? Why ? It's just like the letters of "Success " Even if you remove one letter of the
word success.
At that time, in addition to having no other meaning, it doesn't even meaning of success. I hope you can

get the points. So now just you need to know how to
become successful without missing any of success
tools. If I guess right then listen to me !

In the world that we live in I realized we have to
kinds of success. no one is out of this two kinds
. So it was an example to know better. This book is
about motivational and Inspirational Stories that will
teach you very useful things and the stories I gathered
from unknown sources are just for you to learn more.

As you want to know more about how to become
more responsible, motivate and inspire then go ahead
of the pages read them and find yourself more intelligent
and capable of doing hard. I hope you can make your
dreams turn into reality. Don't worry just pray, because

God is the best sponsor.

You are the best don't forget that.

Leo/Abdulbasir Zakary

Author : I hope you become more stronger person for the daily sacrifices, those come to us every time specially in hard times.

I want you to motivate and Inspire Yourself anytime you are sad and having no energy to make discipline.

I just gathered this unique and fruitful stories to make you aware your cost is so much never forget that, and also don't settle for less.

You are born to be a legend in your own bloodline.
